## U. S. SOLDIERS SENT TO TOWN NEAR TIEN TSIN

Foreigners in Vicinity  
Of Coal Mines Will  
Be Protected

PITTSBURGH, Pa., May 12.—The Peterman mine in Penn township, near here, was blown up early today by a heavy charge of dynamite which threw stones almost a quarter of a mile. Sheriff Robert W. Woodside with a big force of deputies, left immediately after 9 a.m. The mine, which was reported, a body of coal strike sympathizers had collected.

The farmhouse of George West, almost a quarter of a mile away, was damaged by the blast.

Mr. Peterman, owner of the mine, said that shortly before darkness came he heard a heavy charge of dynamite in the mouth of the drift completely destroying it.

No one was hurt by the explosion. The mine had been closed since the strike was called.

Texas Senator's Son  
Maries Millionaire  
Cattleman's Daughter

SAN ANTONIO, May 12.—Welden Bailey, son of former Senator Joseph W. Bailey, and Mrs. Electra Waggoner Wharton, daughter of W. C. Wharton, a Wash millionaire cattleman, were married here today after a quick decision at Dallas and now are speeding on their way to Tucson, Ariz., where Mr. Bailey owns a cattle ranch.

Reports say that Chang has arrived at Lanchow, personally to direct the operations. Ten thousand fresh troops have left Mukden to go to his assistance. General Wu's troops have advanced to within forty miles north of Tien Tsin. The Chinese under command of General Wu are closing in.

The diplomatic corps here was informed today that river armadas were preparing to open fire. They were asked to intervene however.

## MINE BLOWN UP BY COAL STRIKERS

Farmhouse Nearby Is  
Damaged; No One  
Is Hurt

PIXTON, Pa., May 12.—The Peterman mine in Penn township, near here, was blown up early today by a heavy charge of dynamite which threw stones almost a quarter of a mile. Sheriff Robert W. Woodside with a big force of deputies, left immediately after 9 a.m. The mine, which was reported, a body of coal strike sympathizers had collected.

The farmhouse of George West, almost a quarter of a mile away, was damaged by the blast.

Mr. Peterman, owner of the mine, said that shortly before darkness came he heard a heavy charge of dynamite in the mouth of the drift completely destroying it.

No one was hurt by the explosion. The mine had been closed since the strike was called.

The foreign negotiations here have been informed that critical situation has developed at Kaining, 18 miles north of Tien Tsin, where the troops of General Chang Tsao-Lin are entrenched against an advance by General Wu Pei-fu's army.

Kaiping, which is the center of valuable British coal mines, is on that portion of the Peking-Mukden railroad assigned to the protection of American troops. American officials are maintaining communication south of the great wall.

Reports say that Chang has arrived at Lanchow, personally to direct the operations. Ten thousand fresh troops have left Mukden to go to his assistance. General Wu's troops have advanced to within forty miles north of Tien Tsin. The Chinese under command of General Wu are closing in.

The diplomatic corps here was informed today that river armadas were preparing to open fire. They were asked to intervene however.
